MASAI SCHOOL COURSE COMPLETION

MASAI SCHOOL

Anshul Gusain

Full Stack Web Developer

Professional Summary

Aspiring Full Stack Web Developer with extensive experience in MERN Stack (MongoDB, Express.js, React.js, Node.js). Demonstrates capability in leveraging Generative AI to expedite learning and adapt to new tech stacks swiftly. Excellent problem-solving and collaboration skills committed to software excellence and continuous learning.

Experience

MASAI SCHOOL | Interviewer December 2023 - June 2024

- Conducted over 50 mock interviews for full stack development students, evaluating technical skills and knowledge.
- Provided constructive feedback to students on areas of improvement, fostering growth and readiness for real-world job scenarios.

Projects

Blogify App [Live Demo Link](#) [Github Repo Link](#)

JavaScript

React

Git

Node.js

MongoDB

CSS3

Responsive Web Design

Express.js

- Developed a full-stack web application enabling users to securely sign up and log in using Node.js and Express.js for the backend and React.js for the frontend.
- Integrated MongoDB for data storage, optimizing models and queries for efficient data retrieval.
- Designed and implemented user authentication and authorization, ensuring secure access to user-specific functionalities.
- Implemented user-friendly blog CRUD operations with a rich text editor for creating and editing blog posts.
- Ensured responsive design for seamless user experience across different devices.
