Anshul Gusain

Generative AI Full Stack Developer | Dehradun, Uttarakhand, India | +91 9410709010 | anshulgusain99@gmail.com | anshulgusain.github.io | github.com/anshulgusain | linkedin.com/in/anshul-gusain-76573a224

SUMMARY

Generative AI Full Stack Developer with 1.5+ years of experience building production LLM-powered applications end to end. Ships autonomous agents with tool calling, conversational AI on WhatsApp/Instagram, and AI code generation on a React, Next.js, Node.js, TypeScript, PostgreSQL and MongoDB stack, owning everything from prompt and agent design to APIs, payments, testing, and Docker/CI deployment.

TECHNICAL SKILLS

Generative AI: OpenAI API, Gemini API, LLM Agents, Tool / Function Calling, Prompt Engineering, Conversation Memory, Human-in-the-Loop Agents, Playwright Browser Automation, AI-assisted Development (Cursor)
Languages & CS: JavaScript (ES6+), TypeScript, Python, Java, C++, Data Structures & Algorithms, System Design
Frontend: React.js, Next.js, HTML5, CSS3, Tailwind CSS, Responsive Design
Backend: Node.js, Express.js, REST APIs, WebSockets, Socket.IO, Server-Sent Events, Webhooks, JWT, OAuth 2.0, Payment Gateways (Cashfree)
Databases: PostgreSQL, MongoDB, MySQL, Prisma ORM, Redis, Firebase
DevOps & Tools: Docker, GitHub Actions (CI/CD), Turborepo, Render, Vercel, Cloudinary, Git, Postman, Vitest, Supertest, Zod

EXPERIENCE

Full Stack Developer, Venora Technology, Delhi **Dec 2025 - Present**

- Design, build, and deploy client-facing full-stack web apps with React, Node.js, Express.js, and MongoDB, owning production deployments and uptime.
- Work directly with clients to turn business requirements into scoped features and scalable technical solutions.

Full Stack Developer Intern, E-sutra Technology, Delhi **Sep 2025 - Dec 2025**

- Built and deployed full-stack features across multiple organization projects, owning frontend and backend work from development to production release.

Web Developer Intern, Slog Solution, Dehradun **Jun 2024 - Dec 2024**

- Built market-ready full-stack websites with the MERN stack, delivering REST APIs, authentication, and database schemas for time-sensitive client projects.

Technical Interviewer (Part-time), Masai School, Remote **Feb 2023 - Jun 2024**

- Conducted MERN stack technical interviews evaluating JavaScript, React, and Node.js, and gave candidates actionable feedback on technical gaps.

PROJECTS

AnyTask: Autonomous AI QA Agent | *TypeScript, Node.js, OpenAI API (tool calling), Playwright, Next.js, PostgreSQL, Docker*
Live: any-task-ai.vercel.app | Code: github.com/anshulgusain/AnyTask.Ai

- Built an LLM agent that tests any web app from a URL: it plans user goals from the live page, then drives a real browser in an observe-decide-act loop using OpenAI tool calling.
- Replaced brittle LLM-generated CSS selectors with a numbered element map of each page, making sign-ups, forms, and navigation reliable on real sites.
- Added human-in-the-loop controls (pauses for OTPs/credentials, approval before payments or deletes) and live progress over SSE; reports Pass / Fail / Blocked verdicts with repro steps and screenshots.

WhatsApp and Instagram AI Chat Agent | *Node.js, Express.js, LLM API, Webhooks, MongoDB*

- Built a conversational AI agent on the WhatsApp Business and Instagram Messaging APIs via webhooks; an LLM writes context-aware replies for FAQs, lead capture, and order status, with MongoDB conversation history for multi-turn memory.

AutoStack AI: Scaffolding CLI and AI Code Generator | *Node.js, Express.js, Gemini API, Docker, GitHub Actions*

- Published an npm CLI (npx autostack-ai) that scaffolds a production-ready Express backend (JWT, OAuth, Socket.IO, tests, Docker, CI); its AI command uses the Gemini API to generate routes matching the codebase's conventions.

EDUCATION

B.Tech, Computer Science & Engineering, GRD Institute of Management & Technology | CGPA 7.0/10 **2023 - 2026**
Class XII (Science) 83.6% (2020) and **Class X** 92.0% (2018), CBSE, DAV Public School, Dehradun **2018 - 2020**

ACHIEVEMENTS

- Secured 1st place in the Ramkrishna Mission Ashram Inter-College Debate Competition.
